

Let's *brew it* for Yorkshire

Yorkshire is one of the regions hardest hit by cancer. Together we can change this. *Yorkshire Cancer Research* is a charity dedicated to funding research so you and those you love live longer, healthier lives.

What your *Big Brew* will do...

Every **15 minutes** someone in Yorkshire is told they have cancer. We want more people to survive cancer.

By being part of *Yorkshire's Big Brew* you will help fund life-saving research and pioneering services for people with cancer in Yorkshire.

Thank you
